Subject: Message to Attendees of 2021 Annual Conference

A Message from the Interstate Oil and Gas Compact Commission to conference attendees:

We are looking forward to seeing everyone in Santa Fe in just a few days! Please review the following COVID information:

The health and wellness of our attendees is a top priority. IOGCC will adhere to all state and local regulations and the CDC's guidelines for masks and social distancing.

Masks are required in public spaces in the hotel. Please remember to bring your own masks. A limited supply of disposable masks will be available at the registration desk. Individually wrapped alcohol wipes will be available in the meeting rooms.

Although IOGCC meeting rooms are not public spaces, masks will be required in the audience at the General Session and the standing committee sessions. This requirement is intended to ensure speakers and registrants feel safe attending these larger sessions. The requirement to wear a mask will be posted at the entrance to these sessions.

Masks will not be required in other sessions, in the dining room(s) during breakfast, or at the receptions. Attendees will decide for themselves whether to wear a mask in these settings. Individual decisions will be respected by all.

IOGCC will continue to monitor the situation and will update attendees on any changes in safety procedures by email, on our website, and in our meeting app.
